Dear Mrs. Warren:

Many thanks for your letter in which you give me authority to announce to the Board that you will guarantee Dr. Franklin Johnson's salary as Director of the Social Service Department for next year, it being understood of course as in the past that the present conditions as to your ability to do so continue.

I am glad that you do not object to your name being mentioned in connection with this gift.

I will also announce to the Board of Governors that you hope that the University will be able soon fully to finance this important part of our work.

With many thanks and kind regards, I am,

Yours sincerely,

President.
